

INTER-COUNTY GOLF TOURNAMENT  
OCT 14, 2018 / MOFFETT FIELD GOLF COURSE / 10 am start  
2-MAN ALTERNATE SHOT FORMAT

This format is in the NCGA Handicap Manual under  
Chapman or Pinehurst Stroke Play / section 9 (vii)

Partners must be within 8 handicap strokes of each other. Teams that are over the limit will be adjusted by reducing the higher partners handicap until handicap limit is reached.

The play: each partner plays from the teeing ground and plays the partner's ball for the second shot. After the second shot, Partners select the ball with which they wish to score and play that ball alternately to complete the hole. This play will be used on all par-4 and par-5 holes. On par-3 holes partners select after their tee shots and play alternately to complete the hole.

Handicap Allowance : the player with the lower course handicap is allowed 60 percent of course handicap. The player with the higher course handicap is allowed 40 percent of course handicap.

Example : player A has a course handicap of 10 and his partner B has a course handicap of 18. Player A's course handicap is 6 ( $10 \times 60\%$ ) and 40% of player B's course handicap is 7 ( $18 \times 40\% = 7.2$ , rounded to 7) so the total is 13. This team will receive 13 strokes.

SKIN'S POT : The team of 13 combined course handicaps shall have one stroke on Handicap 1 to 13 holes

Two Flights and Full field for Closest to the pin contest and Flighted Skins Pot.
